Dear Mr. Previl:

This letter is in reference to our Friday, November 4, 2005 telephone conversation. I called the USPTO office as you suggested and they were not able to locate my letter dated May 1, 2005 containing my patent application revisions, even though they did locate my extension request and payment. I was therefore asked to send copies of the May 1, 2005 revisions to my patent application, and copies of the Certified Mail Receipt and the Track & Confirmation report from the United States Postal Service.

I would appreciate an expedited review since it has been 6 months since I have mailed the information. Thank you for your time and attention.

Sincerely
